

STAR ROSES

MATERIALS

- Egg Carton
- Red Cake Cases
- Red Paint
- Pipe Cleaners
- Straws
- Buttons
- Scissors

1

Cut apart your egg carton so you have 12 sections and then cut out triangular pieces from the edge of your egg carton section, making pointy looking petals.

2

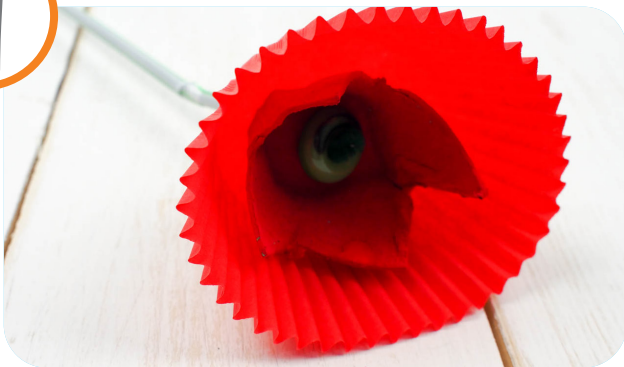

Paint your egg carton flowers with poster or tempura paint and let them dry.

3

Make a small hole in the egg carton with scissors, then push through a pipe cleaner and thread a button on to the end of it.

4

Push the other end of the pipe cleaner through the centre of your cake case and then through the straw.

5

You can add leaves to your flowers by pushing your straw through tissue paper and securing it with a dab of glue from a glue stick.
